Dining

Beginning Friday of move-in weekend you may eat in either of the dining centers on campus, when they are [open](#): [Piazza](#) in Redeker Center and [Rialto](#) in Towers Center. Just bring your uCard to these "all you care to eat" dining centers. You can also use your uCard to access your Dining Dollars or charge to your U-Bill, at [these locations](#): 23rd Street Market, The AppleCart, Chats, Prexy's, Essentials, Biscotti's, Commodities, and Crunch Break. If you have class time conflicts or dietary concerns, contact any dining center manager to make special arrangements.

Additional information such as meal plans, hours of operation, menus, nutritional analysis, and retail promotions can be found under the Dining tab.

Get Involved

A great place to start getting involved is in your house. It's a smart way to get to know people, feel productive, make a difference, get past homesickness, and prepare for involvement in other student organizations. Ask your RA about how to get involved.

Intramurals

Check with your RA about how to get involved with your house's fall intramural sports teams.
