

***You made a smart decision to select the 2-Year Advantage plan for 2012-14.
You're making it easy for yourself and saving money.***

Select your room for 2013-14:

You have lots of options: If you are not staying in your same room, you can select from any available space when you have access to the Panther Priority selection process. [Simply log in to your online housing and dining contract.](#) Your original contract date and the date you gain access to the Panther Priority selection process is on your contract. The \$200 prepayment is waived ? another benefit of the 2-Year Advantage plan.

Select your meal plan for 2013-14:

Meal plans have been simplified for 2013-14. A [meal plan chart for 2012-14 2-Year Advantage plans](#) shows the equivalent access for the new plans and your savings with your 2-Year Advantage plan. The recontracting website includes answers to [frequently asked questions](#).

Important: If you had intended to select the 150 block plan (an option in 2012-13) and the Basic Block plan (160 meals, new for 2013-14) will not meet your needs, select the Basic Block plan and then contact Jean.Wiesley@uni.edu for a plan/billing adjustment. Department of Residence will reduce your access to 150 meals per semester and refund \$100. Let Jean know your choice of options for the refund: \$100 university bill credit or \$100 Dining Dollars. This option is available to students with the 2012-14 2-Year Advantage plan, only.

Consider living in a [Living Learning Community](#) next year:
