We create magic moments for children and youth that last a lifetime.
Children and youth living in an overseas environment are not unlike those living in America. They have needs for social, physical, intellectual, spiritual and personal growth. Contracted Camp Adventure™ Youth Services summer programs provide opportunities for individuals to meet these needs. Serving over 500,000 children based on daily participation rates in 2001, Camp Adventure™ Youth Services programs provide a positive, supportive setting that helps children develop their individual strengths and sense of worth. Our staff are committed to positive child/leader interactions and to create magic moments for children that last a lifetime.

*It is based on a nationwide poll sponsored by the C.S. Mott Foundation and JCPenney. The survey was conducted by Lake Snell Perry & Associates, Inc. and the Tarrance Group between July 27-29, 1999.
Camp Adventure™ Youth Services offers a full line of school-age and youth services programs directed primarily toward U.S military installations, US embassies, corporate clubs and associations. We provides high-quality, high-impact programs and services for children and youth. An educationally based, service-learning program Camp Adventure™ Youth Services encourages excellence, global awareness, cultural sensitivity, diversity and inclusion.

Camp Adventure™ Youth Services programs are especially designed to meet the unique needs of each community. Our trademarked programs include day camps, resident camps, aquatics programs, dance pursuits, Kindercamp, teen programs, Outdoor Rangers, sport camps, Panther Cub Camps, Adventure Plus™ and specialty programs.

During peak months of operation, the sun never sets on the Camp Adventure™ Youth Services program. Operating throughout the world, the program is in action 24 hours around the clock. The program has been successfully implemented in Argentina, Bahrain, Belgium, Denmark, Germany, Greece, Hong Kong, Iceland, Italy, Japan, Korea, Kuwait, Macau, Netherlands, Norway, The People’s Republic of China, Russia, Spain, Taiwan, Turkey, United Kingdom, and the United States.
The key to the success of the Camp Adventure™ Youth Services program is our staff. They are energetic, enthusiastic, committed, dynamic, dedicated and highly skilled. Most of our staff are students studying for careers in education, youth/human services, or the leisure industry.

Our staff attend our dynamic development program emphasizing our basic values and traditions as well as the theory, skills and knowledge needed to operate our programs and services. As part of our development program, they are certified in first aid, CPR, and lifeguarding. In addition, Camp Adventure™ Youth Services works closely with state and federal agencies to ensure that all of our staff have state and federal background checks.

Key Features of Camp Adventure™

- Value driven
- Strong focus on quality and excellence in service delivery
- Passionate, committed staff run the organization
- Great attention to detail as reflected in program planning and staff development
- Connecting in a meaningful way with the customer
- Innovation in service delivery is a hallmark
Imagination, creativity and innovation are hallmarks of Camp Adventure™ Youth Services programs. Our day camp programs consist of a set of integrated, creative and imaginative theme activities. They are full of fun adventures for day campers. Individual weekly and daily themes provide the basis for ideas for generation of special events, skits, songs, talent shows and other activities that are part of our day camp experience.

PROGRAM HIGHLIGHTS
Camp Adventure™ themes will explore Adventures in Science, Discovery, Fine Arts, Imagination, Physical Fitness, and our Global Community. The curriculum is specially designed to bring together a dynamic relationship of academic experiences, educational knowledge, and creative wizardry into a worthwhile summer experience for its participants.

- **Program Aims & Objectives**
  Campers will participate in a range of enjoyable summer adventures designed to foster social interaction, to facilitate personal growth, and to develop educational and recreational skills.

- **Constructing Choice-Enhanced Environments**
  Camp Adventure™ Youth Services has implemented a unique framework for providing choice within our programs. Clubs, Interest Areas, and Rotating Activities are especially designed to encourage campers to choose the activity that interests them. Creativity is a key; participants can accomplish just about everything that they can imagine.

- **Building A Sense of Community**
  Strategies are designed to enhance relationships among parents, children and Camp Adventure™ counselors. Throughout the week the campers prepare for a weekly presentation for their parents. Parents can become involved with the experiences the child has gleaned from their weekly participation.

- **Flexible Program Schedule Accommodates All Parents**
  Most programs are organized into one week sessions. The time frame for program services can be established in such a way as to accommodate working parents.
