Session Information
CIEP New Student Orientation

CIEP Placement Exam
We must evaluate your English language ability in order to place you in the correct classes for Reading, Writing, Grammar, Listening and Speaking. This test will take approximately four hours. Lunch will be provided during the exam.

Student Health Center Resources & Health Insurance
UNI has a modern Student Health Clinic operated by an expert team of experienced professionals who can provide a wide variety of health services. Learn about the services available and ask questions to the staff. Health insurance can save you from financial stress when you have unexpected medical expenses. This session will explain the benefits of your mandatory insurance coverage. An insurance expert from the Student Health Center will introduce you to the Student Health Insurance Plan (SHIP) and answer your questions.

Tuberculosis Screening/MMR Vaccinations
All UNI students, including international students, are required to have tuberculosis screening and testing. This screening will be done at the UNI Student Health Clinic. The test costs $108. UNI Students are also required to show proof of two Measles, Mumps and Rubella (MMR) vaccination records. If you do not provide proof of an MMR vaccination (in English), you will receive the first one during this session. The cost of MMR vaccinations is $95 dollars each. The health insurance provided by UNI will cover most of the TB and MMR fees. Please remember to bring your health immunization records with you to this session!

Student Handbook Review
One of the CIEP teaching staff members will review with you the CIEP academic policies and procedures while you are enrolled in the program.

Tips for CIEP Student Success
In this session, the CIEP Student Services Coordinator will discuss American culture and give you some tips on how to make the most of your time at UNI. Campus safety in relationships will also be discussed.

CIEP Informational Session
The CIEP Director and the Promotions & Admissions Specialist will review important information about life at UNI and discuss the essential information that you, as a CIEP student, must have as you begin your studies. You will learn about immigration and regulations, campus opportunities, and living safely in Iowa.

Cedar Falls Essentials Shopping Trip
After the welcome lunch we will take the city bus to a local shopping center in Cedar Falls. CIEP staff members will help you to understand the public transportation in Cedar Falls and you will have time to shop for supplies, clothing, gifts, snacks and more. The bus will cost $1.25.
