Intensive Business English Program

The University of Northern Iowa Culture & Intensive English Program, in conjunction with the UNIBusiness Global Associates, is offering a unique opportunity for international students to spend 4 weeks in the United States, improving English skills and exploring business operations in the Midwest.

The Intensive Business English Program (IBEP) will begin on July 7 and end on August 3, 2013. The cost for the program is $3,286.00. This fee includes all tuition, fees, room and board. Students will devote three hours a day to studying the English language and the rest of the time visiting regional businesses and international corporations such as John Deere and Pioneer.

 Invite your students to spend their July holiday with us and have the opportunity to experience American culture, learn about business operations in the United States, improve English skills, and make new friends from around the globe! Students can apply at: www.uni.edu/special-programs/ibep. Applications are due May 1, 2013.
