Tuition Update

CIEP is increasing tuition to $2,380 this coming August. This 3.5% increase is in keeping with 3.5% increase in tuition for all students enrolled in academic classes at UNI effective August 2012.

Attendance Probation

Beginning in June 2012, the CIEP will require that all students maintain 80% attendance in all classes. This policy has been suggested to the CIEP by the U.S. Depart of Homeland Security and by U.S. Immigration and Customs Enforcement (ICE). Those students on Academic Probation for lack of attendance will have to maintain 80% attendance throughout their studies in CIEP. 90% attendance will no longer be required from any student on Academic Probation.

New Health Insurance Policy

Effective August 1, 2012 all CIEP, undergraduate and graduate International students will be required to carry the University of Northern Iowa Student Health Insurance Plan (SHIP).

- The university policy will affect all new incoming and current UNI international students with F1 and J1 visas.
- The student only health insurance policy is currently $120 per month and will be billed on your university account for the entire semester. The premium will change slightly effective 9/1/12.
- The insurance will be billed from the 1st day of the month students are enrolled in on-campus classes and will continue through the last day of the month in which students cease to be registered at UNI.

Exceptions allowed under the university policy are as follows:
- International students with foreign government-sponsored or corporate health insurance (e.g., Saudi Mission Scholarship insurance, John Deere and Co. insurance, and other comparable government or corporate insurances approved by the UNI Student Health Clinic). Students with any of the aforementioned coverage will need to show proof of coverage to the Student Health Clinic by the tenth day of class each semester.
- International students who spend three weeks or less at the University of Northern Iowa will not be required to purchase SHIP insurance.
