

~~C~~andy Bar Mania Activity

Activity Instructions

During this getting acquainted activity, you will get to know the other participants in the workshop. This activity will provide an opportunity to chit-chat with the group, laugh, and have a good time.

1. There will be four tables set up. Each table will be designated as an appointed kind of candy bar. The choices are Snickers, Whatchamacallit, Milky Way and Three Musketeers. (These could be changed.)
2. You will decide which candy bar best describes yourself and move to that table.
3. At each table, you will discuss amongst yourselves why you chose that type of candy bar to describe yourself.
4. After lunch, you will go around the room and talk with others to see which candy bar they would be if they could be ANY candy bar and why.
