

# Theme Song Activity

## Activity Instructions

---

During this Getting Acquainted Activity, you will get to know the other participants in the workshop. This activity will provide an opportunity to get to know the other participants better, laugh, and have a good time over the lunch hour.

1. Go around the room and count off one through four. Break into the four groups.
2. Each group will be given a specific television program. You will need to remember the theme song and write down its lyrics.  
The television programs are:
  - “The Adam’s Family”
  - “Gilligan’s Island”
  - “Green Acres”
  - “Brady Bunch”
3. When all of the groups have finished, each group will present their theme song to the other groups.

## Notes for Trainers

---

This activity would be most effective on the second or third day. The activity is optional, but remember that these teachers won’t have a lot in common to talk about. They will talk for about 20 minutes and then the room tends to become quiet. An hour lunch is required. This time should not be spent practicing with the laptops. Some of the teachers will be overwhelmed and they need to feel comfortable with others in the room so they will have additional contacts as the project grows beyond the workshops.
