Integrating The Web Into The Classroom

Activity Instructions

Discuss the following questions with a partner or group. This time is provided for you to brainstorm and gain ideas from your group members.

How have you used the Web with your students (e.g., research, student activities, lesson plans)?

How have you used the Web for teaching support (preparation)?

After today what new ways can you see using the Web with your students?

After today what new ways can you see using the Web for teaching support (preparation)?
