Campus Solutions Class Search Enhancements with Bundle 29 (as of 6/3/2013)

The following enhancements were made to the Class Search feature in Campus Solutions as of June 3rd, 2013:

- Addition of the Modify Search button
- Enhanced Course Attribute search criteria fields

<table>
<thead>
<tr>
<th>Enhancement</th>

</tr>
</thead>
<tbody>
<tr>
<td>Modify Search</td>
<td>The Modify Search button has been added to the Class Search Results page to allow users to return to their currently selected criteria.</td>
</tr>
<tr>
<td></td>
<td><strong>Tip:</strong> If you wish to clear the previous search completely, use the New Search button. If you wish to return to the current search criteria, use the Modify Search button.</td>
</tr>
</tbody>
</table>

![Image showing Class Search results and modification options]
The **Course Attributes** fields have been enhanced to allow search by the *Course Attribute* and the *Course Attribute Value*. This provides for a more dynamic search.

*Tip:* The Course Attribute field must be populated before the Course Attribute Value field can be selected and further define the course attribute.

### Example:

Select **Liberal Arts Core** from the *Course Attribute* field.

Then select **LAC 2A: Humanities** from the *Course Attribute Value* field.
